From now until February 1, 2001, every time you do business with **httprint**, we'll make a donation to Toys for Tots in your name. And we'll give you a cool toy, like a DVD player, of your very own. You get a simple solution to all your print production problems. Children in need get toys. You get a gift, and a print job, you can get excited about. Now that's what we call happy holidays.

downright obsessive

about print

Our team eats, drinks and dreams print management. You might say they're obsessed. But when you're stuck with more press-checks than people, we bet you'd rather have a team of print fanatics than an unfocused freelancer. Get our seasoned print management professionals whenever you need them. They've managed thousands of print jobs for hundreds of clients, each averaging eight years of hands-on experience. Let them tackle that difficult job you can't stand the sight of anymore. They live for it.

gift-giving, press-checking

You get toys, you give toys and you get great print.

When you spend up to \$10,000 with **httprint**, you get \$100 Barnes and Noble gift certificate and Toys for Tots gets \$100 donation in your name.

\$10,000 – \$25,000: A DVD player for you and \$250 to Toys for Tots.

\$25,000, and over: A set of golf clubs for you and \$500 to Toys for Tots.

Or you can choose to include the entire value of your gift into your Toys for Tots donation.

We give you all this. You just give us a call.
